```

a brick wall. some pieces of a pattern.
reflection of a solar system and a galaxy.
central singularity. no games there.
a galaxy. a solar system. a cauliflower
fragments of a universe.
like a big spinning wheel and you are in it.
you are It.
play sincerely!
to act a play or to play an act.
'persona' or 'prosopon' refers to the masks worn by actors.
a genuine fake is the real person.
like each organism he considers himself to be the centre of the universe.
he takes life really seriously and regards himself as extremely important.
the joker just giggles.
like a newborn he has no fixed role.
he plays the human game and remembers it is a game.
all social institutions and all natural formations are his games to play.
like dancing they are all done for themselves and don't serve an ulterior motive.
his universe is musical and has no destination.
he never works and gets payed for playing.
therefore the joker giggles.
some pieces of a pattern.
a galaxy. a solar system. a cauliflower
fragments of a musical play.
and all is vibration.
opposites of the same wave.
If you accept change anxiety becomes laughter.
explicit different.
implicit the same.
so watch your step.
like a big spinning wheel and you are in it.
you are It.
play sincerely!
