An exhibition by BA&DF

DIGITAL CATALOGUE

# Prelude

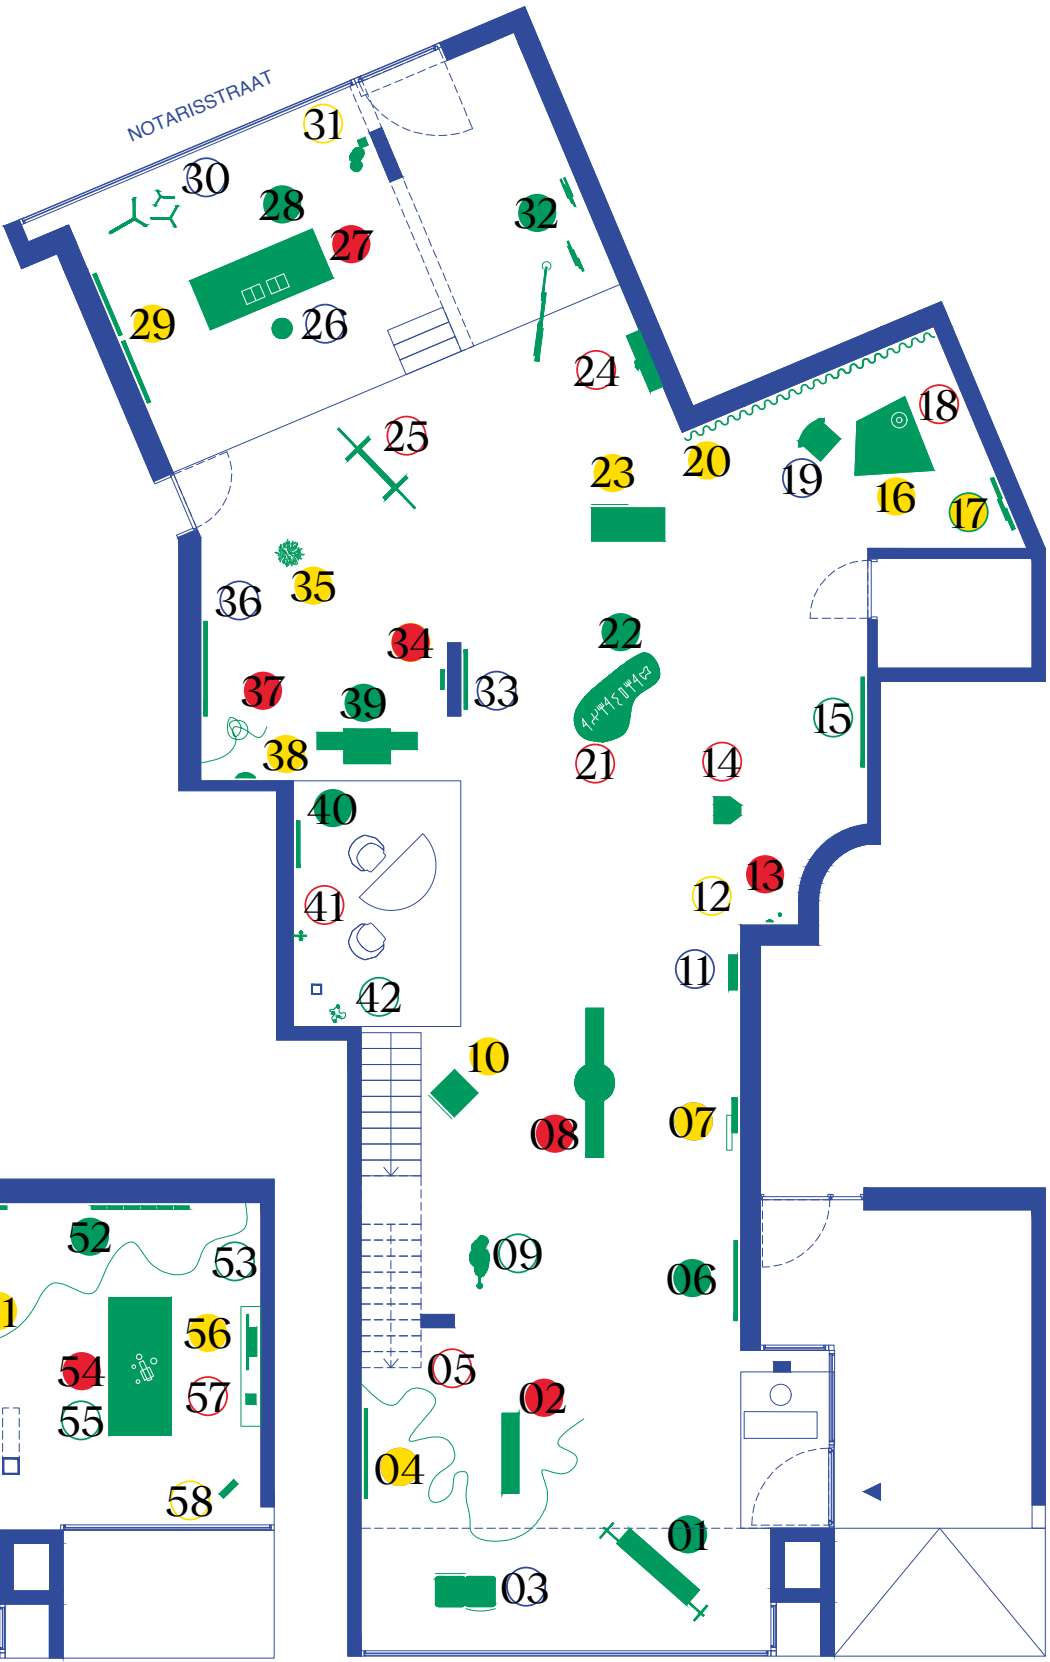

‘PRELUDE’ is an exhibition organised by the ‘Belgian Art & Design Fair’ in an exceptional space in the heart of Ghent. Prelude’ celebrates making - somewhere between art and design. Above all the making in itself, without necessarily categorizing it.

Sometimes one thing.  
Sometimes the other.  
Mostly in between.

The selection of 49 artists and designers is curated by Tatjana Pieters, doorzon interior architects, Stefanie Everaert & Caroline Lateur, architect Theo De Meyer and guest curator Christophe Urbain.
